Antibacterial Hand Wash - Green Cross Hygiene Aloe Vera & Green Apple

Anti Bacterial Hand Wash by Green Cross is a clinically formulated hygiene solution designed to deliver superior protection while caring for your skin. Enriched with Chlorhexidine 0.2%, Aloe Vera 2.0%, Green Apple Extract, and Glycerin, it offers effective cleansing without dryness. Maintaining proper hand hygiene is essential for preventing the spread of infections in homes, workplaces, and healthcare settings. This refreshing green apple scented liquid hand wash combines science-backed antimicrobial action with skin-friendly moisturizers — Powerful Protection + Skin Safety for Everyday Hygiene.

Composition (Medicated Formula Contains):

- Chlorhexidine Gluconate 0.2% solution
- Aloe Vera 2.0%
- Green Apple Extract
- Glycerin

Key Highlights:

- Hand wash with 99.9% germ protection
- Alcohol-free antibacterial hand wash
- Moisturizing antibacterial liquid soap
- Suitable for sensitive and dry skin
- Refreshing fruit fragrance
- Provides long-lasting antibacterial protection

Uses & Indications:

Recommended for routine hand hygiene at home, hospitals, clinics, offices, and public spaces. Effective before meals, after restroom use, after handling contaminated objects, and while caring for the sick. Supports daily infection prevention and hygienic maintenance in healthcare environments.

Mechanism of Action:

Chlorhexidine disrupts bacterial cell membranes, offering reliable and prolonged antimicrobial activity. Aloe Vera soothes and hydrates the skin, while Glycerin locks in moisture. Green Apple Extract provides refreshing fragrance and antioxidant support.

Storage Instructions:

Store below 30°C. Protect from direct sunlight. Keep bottle tightly closed and out of reach of children. Antibacterial Hand Wash Price – Green Cross Hygiene Aloe vera & Green Apple Hand Wash M.R.P: 170.00
