

G PYL CAPSULE

Ayurvedic Piles Capsule for Natural Relief from Piles, Hemorrhoids & Anal Fissure

Piles (hemorrhoids) and anal fissures are among the most common anorectal disorders affecting people due to chronic constipation, prolonged sitting, unhealthy dietary habits, obesity, pregnancy, and sedentary lifestyles. Symptoms such as pain during bowel movements, rectal bleeding, itching, swelling, and discomfort can significantly affect daily life.

G PYL Capsule, an Ayurvedic Piles Capsule, is carefully formulated using classical Ayurvedic herbal extracts that help support healthy digestion, improve bowel regularity, reduce discomfort associated with piles, and promote overall anorectal health. Its herbal composition works gently while supporting long-term digestive wellness without relying on harsh stimulant laxatives.

Key Ingredients

- **Suran A.B. Rhizome (100 mg):** Supports digestive comfort and alleviates discomfort.
- **Ativish A.B. Root (70 mg):** Traditionally used for digestive health benefits.
- **Kutaja A.B. Bark (50 mg):** Effectiveness in managing dysentery and promoting gut health.
- **Daruharidra A.B. Rhizome (20 mg):** Aids digestion and supports natural detoxification processes.
- **Kumari A.B. Leaves (10 mg):** Provides soothing effects on the digestive tract.
- **Harde A.B. Fruit (60 mg):** Known for its detoxifying and digestive benefits.
- **Neem A.B. Bark (20 mg):** Offers natural antibacterial properties, supporting gut health.
- **Nagkeshar A.B. Stem (50 mg):** Helps soothe digestive discomfort.
- **Bael A.B. Root (20 mg):** Known for relieving digestive disturbances.
- **Saunf A.B. Seed (10 mg):** Aids digestion and reduces bloating.
- **Suddha Sphatik A.B. Powder (50 mg):** Promotes balance in the digestive system.
- **Bolasari A.B. Leaf (10 mg):** Enhances digestive support.
- **Arsh Kuthar Rass A.B. (30 mg):** A traditional formulation specifically for piles management.

Key Benefits

- **Targeted Relief:** Effectively reduces pain, swelling, and inflammation associated with piles.
- **Controls Bleeding:** Helps manage and reduce bleeding due to its astringent and healing properties.
- **Promotes Digestive Health:** Aids in smooth bowel movements and prevents constipation.
- **Strengthens Veins:** Helps improve venous tone and circulation in the anal region.
- **100% Natural & Safe:** Made with pure, natural herbal extracts in a vegetarian capsule, ensuring minimal side effects.

Mechanism of Action

The carefully selected Ayurvedic herbs work synergistically to support anorectal and digestive health:

- Supports healthy bowel movements and digestive function.
- Helps maintain soft stool consistency.
- Assists in reducing discomfort associated with hemorrhoids.
- Supports rectal tissue health and recovers inflamed tissues.
- Helps manage bleeding associated with piles through traditional Ayurvedic ingredients.

Uses & Indications

Supportive Ayurvedic management for:

- Internal & External hemorrhoids
- Bleeding piles & Anal fissure
- Constipation associated with piles
- Pain during bowel movement
- Rectal discomfort & Swelling
- Digestive irregularities & weakness

Dosage & Administration

Take G PYL Capsule only as advised by a qualified Ayurvedic physician or healthcare professional.

- **General recommendation:** Take with lukewarm water after meals.
- Maintain adequate hydration.
- Consume a high-fibre diet.
- Avoid excessive spicy food and prolonged constipation.
- Regular physical activity may help support bowel health.

Contraindications & Precautions

Use with caution in:

- Pregnancy and breastfeeding (only under medical advice).
- Children unless prescribed.
- Individuals allergic to herbal ingredients.
- Patients with severe gastrointestinal disorders.

Note: Patients with persistent rectal bleeding, unexplained weight loss, severe pain, or prolonged symptoms should undergo medical evaluation.

Possible Side Effects & Interactions

When used as directed, it is generally well tolerated. Occasionally, individuals may experience mild digestive discomfort, loose stools, or abdominal bloating.

Drug Interactions: Inform your healthcare provider if taking Anticoagulants, Antiplatelet medicines, or Prescription laxatives. Medical supervision is recommended when combining multiple therapies.

Why Choose G PYL Capsule & Expert Advice

G PYL Capsule combines traditional Ayurvedic herbs known for supporting digestive wellness and anorectal health. Manufactured under stringent quality standards, it offers a balanced herbal approach.

For best results, combine the treatment with a high-fibre diet rich in fruits, vegetables, and whole grains. Drink plenty of water throughout the day to maintain hydration and help prevent constipation. Avoid prolonged sitting, excessive spicy foods, alcohol, and tobacco. Regular physical activity and maintaining a healthy body weight can further improve digestive health and reduce the risk of recurrence.

Storage Instructions: Store below 25°C. Protect from moisture and direct sunlight. Keep the container tightly closed. Keep out of reach of children.

Frequently Asked Questions (FAQs)

- **What is G PYL Capsule used for?** It is traditionally used to support the management of internal/external piles, anal fissure, constipation, and digestive discomfort.
- **How does it work?** Its herbal ingredients support healthy digestion, promote regular bowel movements, and help maintain rectal tissue health.
- **Can it help bleeding piles?** Yes, the astringent herbal ingredients traditionally support healthy anorectal tissues and assist in managing bleeding under professional supervision.
- **Is it safe for long-term use?** It should be taken only under the guidance of an Ayurvedic physician for prolonged use.
- **Who manufactures it?** It is manufactured by Green Cross Remedies, a trusted pharmaceutical company committed to high-quality Ayurvedic formulations.
