

STAXCEF 250 TABLET

Cefuroxime Axetil 250 mg Tablet

Product Description:

Cefuroxime axetil 250 mg tablet is a widely prescribed second-generation cephalosporin antibiotic used for the effective treatment of a broad range of bacterial infections. It inhibits bacterial cell wall synthesis, helping the body eliminate infection-causing organisms efficiently. STAXCEF 250 Tablet is a film-coated formulation containing Cefuroxime Axetil 250 mg, manufactured by Green Cross Remedies.

Composition:

Each film-coated tablet contains Cefuroxime Axetil IP equivalent to Cefuroxime 250 mg. Excipients q.s.

Uses & Indications:

Respiratory tract infections, otitis media, sinusitis, skin and soft tissue infections, urinary tract infections, early Lyme disease, bone & joint infections, gonorrhea, and meningitis (when required).

Mechanism of Action:

Cefuroxime is a second-generation cephalosporin that binds to penicillin-binding proteins, inhibiting bacterial cell wall synthesis and causing bacterial cell death.

Dosage:

Adults: 250 mg twice daily or as prescribed. Take after food. Complete the full course to prevent resistance.

Side Effects:

Nausea, diarrhea, headache. Rare: allergic reactions, C. difficile-associated diarrhea, liver enzyme elevation.

Contraindications & Precautions:

Contraindicated in patients with hypersensitivity to cephalosporins. Use cautiously in renal impairment and pregnancy under medical advice.

Drug Interactions:

Antacids, probenecid, oral contraceptives.

Storage:

Store below 25°C. Protect from moisture and sunlight. Keep out of reach of children.

Price:

MRP: ₹243.47 per 10 tablets.

Expert Advice:

Use strictly as prescribed. Avoid alcohol. Report rash or breathing difficulty immediately.
