

Green Cross **Rose & Lily Hand Wash**

Advanced Antibacterial Protection with Skin Care

Maintaining proper hand hygiene is one of the most important steps in preventing infections and maintaining overall health. A high-quality hand wash not only removes dirt and impurities but also provides protection against harmful bacteria and viruses.

Green Cross Hand Wash (Rose & Lily) Anti Bacterial is a premium liquid formulation enriched with Chlorhexidine, Vitamin E, and Glycerin for effective germ protection and soft, healthy skin. It is ideal for both daily hygiene and medical use.

Key Ingredients & Benefits

- **Chlorhexidine Gluconate 0.2% w/w** – Broad-spectrum antiseptic that eliminates disease-causing bacteria
 - **Vitamin E 0.3%** – Protects and nourishes skin, prevents dryness
 - **Glycerin** – Retains moisture and keeps skin soft
 - **Rose & Lily Extracts** – Provide freshness and soothing fragrance
-
