Ayurvedic Colic Drops for Babies – AYUMEF Drops

AYUMEF – Herbal Anti Spasmodic Pediatric Drops is specially designed to provide natural relief from colic, bloating, stomach cramps, and digestive disturbances in infants and newborns.

Parenthood is beautiful, but infant colic, gas, and abdominal discomfort can make the early months challenging. AYUMEF is formulated as a safe and effective Ayurvedic solution for digestive comfort.

Developed using time-tested Ayurvedic ingredients, AYUMEF supports healthy digestion while calming intestinal spasms naturally.

AYUMEF by Green Cross Remedies is formulated with Hing, Ajwain, Ativisha, and Satpushpa to provide natural relief from infant gas, bloating, and stomach cramps safely and effectively.
