

KOZICROS SKIN WHITENING SOAP

Kojic Acid, Glutathione, Arbutin, Vitamin C & Vitamin E

Grade 1 Soap (76% Total Fatty Matter) | Skin Brightening & Dark Spot Removal

KOZICROS Soap by Green Cross Remedies is a premium skin-brightening cleansing bar formulated with kojic acid, glutathione, arbutin, vitamin C, and vitamin E. Designed for a daily skincare routine targeting dull-looking skin, hyperpigmentation, uneven tone, and dark spots, this cosmetic formulation combines trusted active ingredients in a high-grade Grade 1 soap with 76% Total Fatty Matter (TFM). KOZICROS offers a convenient, nourishing cleansing option for everyday skincare.

Key Active Ingredients

- **Kojic Acid (0.50%):** Helps in reducing melanin production, promoting skin lightening and even tone.
- **Glutathione (1%):** A powerful antioxidant that brightens skin and reduces oxidative stress.
- **Arbutin (0.50%):** Natural skin brightener that helps inhibit melanin production.
- **Vitamin C (0.25%):** Enhances radiance while offering antioxidant protection against environmental stressors.
- **Vitamin E (0.25%):** Nourishes, hydrates, and protects the skin's barrier.
- **Soap Grade & TFM:** Grade 1 Cleansing Bar with 76% Total Fatty Matter (TFM) for superior moisturizing.

Key Features & Benefits

- **Multi-Ingredient Synergy:** Combines 5 potent dermatological cosmetic ingredients.
- **Dark Spot & Blemish Control:** Addresses hyperpigmentation, melasma, and post-inflammatory marks.
- **Antioxidant Protection:** Neutralizes free radicals to combat premature signs of aging.
- **Deep Cleansing & Radiance:** Unlocks glowing skin while washing away impurities gentle on body skin.
- **Grade 1 Quality:** High TFM ensures the skin remains soft and non-stripping after wash.

Uses & Applications

1. **Skin Brightening:** Improves overall skin tone, revealing a bright and radiant appearance.
2. **Reducing Hyperpigmentation:** Diminishes dark spots, sun spots, and uneven patches.
3. **Melanin Inhibition:** Targets tyrosinase enzyme activity responsible for excess pigment.
4. **Moisturizing & Nourishing:** Hydrates the skin, preventing dryness and irritation.
5. **Skin Renewal:** Promotes mild exfoliation of dead cells, aiding cell turnover.

Indications & Concerns

Suitable for individuals experiencing:

- Hyperpigmentation, melasma, and dark spots.
- Uneven, discolored, or sun-damaged skin.
- Dull, tired-looking complexion needing renewal.
- Early fine lines caused by environmental oxidative stress.
- General daily skin maintenance for a healthy glow.

Note: Persistent or changing pigmentation should be assessed by a qualified dermatologist.

How to Use & Administration

1. Wet skin with lukewarm water.
2. Lather soap gently between hands.
3. Apply lather to intended areas, avoiding eyes and mucous membranes.
4. Rinse thoroughly and pat dry. Apply moisturizer if needed.
5. Start with occasional use to assess tolerance before daily use.
6. **Sun Protection:** Always apply a broad-spectrum SPF 30+ sunscreen during daytime.

Precautions & Side Effects

Possible Side Effects: Mild dryness, tightness, redness, itching, or allergic contact dermatitis in sensitive individuals. Discontinue use if irritation develops.

Contraindications: Avoid open wounds, broken skin, or severe eczema. Perform a patch test prior to regular application. Avoid combining with aggressive chemical exfoliants simultaneously.
