Product Description

LINS PLUS Herbal Pain Relief Oil is a natural and effective formulation designed to provide fast relief from joint pain, muscle pain, sprains, and stiffness. Enriched with time-tested herbal ingredients, it delivers soothing warmth and relaxation, helping improve mobility and comfort with regular application.

Uses

Joint pain, muscle pain, backache, sprains, strains, stiffness, and sports-related injuries.

Indications

Indicated for musculoskeletal pain, age-related joint discomfort, post-exercise soreness, and minor inflammatory conditions.

Dosage & Administration

Apply sufficient quantity of oil to the affected area and massage gently until absorbed. Use 2–3 times daily or as directed.

Mechanism of Action

Herbal actives penetrate deep into tissues to reduce inflammation, improve blood circulation, relax muscles, and provide soothing analgesic relief.

Side Effects

Generally well tolerated. Rarely, mild skin irritation may occur in sensitive individuals.

Contraindications & Precautions

Do not apply on broken skin or open wounds. Avoid contact with eyes. Discontinue use if irritation occurs. Consult a physician before use during pregnancy or lactation.

Drug Interactions

No known drug interactions when used externally as directed.
