Brand Name	Moxaj-400 Tablets
Manufactured by	Green Cross Remedies
Website	<a href="http://www.greencrossindia.com">www.greencrossindia.com</a>
Packing	10 Tablets Alu-Alu

## Product Description

Moxifloxacin 400 mg Tablet is a broad-spectrum fluoroquinolone antibiotic indicated for the treatment of various bacterial infections. Its once-daily dosing and strong antibacterial activity make it a preferred choice for moderate to severe infections.

## Uses

Respiratory tract infections, pneumonia, sinusitis, bronchitis, skin and soft tissue infections, urinary tract infections, and abdominal infections.

## Indications

Community-acquired pneumonia, acute bacterial sinusitis, acute exacerbation of chronic bronchitis, and uncomplicated skin and skin structure infections.

## Dosage

400 mg once daily or as directed by the physician.

## Mechanism of Action

Moxifloxacin inhibits bacterial DNA gyrase and topoisomerase IV, preventing bacterial DNA replication and growth, thereby eliminating infection-causing bacteria.

## Side Effects

Nausea, diarrhea, dizziness, headache, weakness, and sleep disturbances.

## Contraindications

Hypersensitivity to quinolones, history of tendon disorders, QT prolongation, and serious cardiac rhythm disorders.

## Drug Interactions

May interact with medicines affecting heart rhythm or drug absorption. Consult a physician before use.

## Price

Moxaj-400 Tablets – 270.94 / 10 Tablets
