

P PRO GG Mouth Melting Sachet

Probiotic Sachet for Gut & Immunity

Green Cross Remedies

Website: greencrossindia.com

Email: greencrossremedies_2003@yahoo.co.in

A probiotic sachet like P PRO GG is an innovative oral dissolving formulation that delivers clinically proven probiotic strains directly into the gut. This mouth melting powder combines the power of LGG probiotic with immune-enhancing colostrum, making it ideal for diarrhea management, antibiotic-associated gut imbalance, and overall digestive wellness.

Composition

Lactobacillus Rhamnosus GG (ATCC53103) – 6 Billion CFU

Cow Colostrum Powder – 100 mg

Key Benefits & Uses

Supports gut microbiota balance, improves digestion, boosts immunity, and helps manage diarrhea.

Indications

Diarrhea, digestive disturbances, weak immunity, gut flora imbalance.

Dosage

1 sachet once or twice daily or as directed. No water required.

Side Effects

Mild bloating or gas may occur. Rarely serious.

Storage

Store below 25°C. Keep away from moisture.
