

ROZUSTEEN 10 Tablet

Rosuvastatin 10 mg for Cholesterol Management

ROZUSTEEN 10 Tablet contains Rosuvastatin 10 mg, a widely prescribed statin medicine used to manage high cholesterol levels and support cardiovascular health. It works by reducing cholesterol production in the liver and improving lipid balance, helping reduce LDL cholesterol and triglycerides while increasing HDL cholesterol.

Composition

Brand Name	ROZUSTEEN 10 Tablet
Generic Name	Rosuvastatin Calcium
Strength	Rosuvastatin 10 mg
Manufacturer	Green Cross Remedies

Rosuvastatin 10 mg Tablet Uses

- Treatment of high cholesterol (hyperlipidemia)
- Management of dyslipidemia
- Reduction of LDL cholesterol
- Control of triglyceride levels
- Prevention of cardiovascular disease
- Long-term cholesterol control therapy

Indications

- Primary hypercholesterolemia
- Mixed dyslipidemia
- Familial hypercholesterolemia
- Elevated triglycerides
- Prevention of heart attack and stroke

Mechanism of Action

Rosuvastatin works by inhibiting the enzyme HMG-CoA reductase, reducing cholesterol production in the liver. This increases removal of LDL cholesterol from the bloodstream and improves HDL levels, supporting overall lipid control.

Dosage and Administration

- Typical starting dose: Rosuvastatin 10 mg
- Taken once daily
- Can be taken with or without food
- Swallow tablet whole with water
- Take at the same time each day for consistent effect

Common Side Effects

- Headache
- Muscle pain or weakness
