

ROZUSTEEN 20 Tablet

Rosuvastatin Tablet Uses for Cholesterol Control

ROZUSTEEN 20 Tablet contains Rosuvastatin 20 mg, a commonly prescribed statin medicine used for cholesterol control. It helps reduce LDL cholesterol, control triglycerides, improve lipid profile, and lower the risk of cardiovascular disease.

Composition

Brand Name	ROZUSTEEN 20 Tablet
Generic Name	Rosuvastatin Calcium
Strength	Rosuvastatin 20 mg
Manufacturer	Green Cross Remedies

Key Rosuvastatin Tablet Uses

- Treatment of high cholesterol (hyperlipidemia)
- Management of dyslipidemia
- Reduction of LDL cholesterol
- Prevention of heart attack and stroke
- Control of elevated triglycerides
- Long-term cholesterol control

Indications

- Primary hypercholesterolemia
- Mixed dyslipidemia
- Familial hypercholesterolemia
- Cardiovascular disease prevention
- Elevated triglycerides

Mechanism of Action

Rosuvastatin inhibits the HMG-CoA reductase enzyme in the liver, reducing cholesterol synthesis and increasing removal of LDL cholesterol from blood, improving overall lipid profile.

Dosage and Administration

- Starting dose: 5 mg or 10 mg daily
- Moderate to severe cases: Rosuvastatin 20 mg
- Taken once daily
- Can be taken with or without food

Common Side Effects

- Headache
- Muscle pain
- Nausea
- Abdominal discomfort
- Constipation

Precautions

- Avoid use in active liver disease
- Not recommended during pregnancy and breastfeeding
- Regular liver function monitoring required
- Avoid excessive alcohol consumption

Storage Instructions

- Store below 25°C
- Keep in a cool dry place
- Protect from sunlight and moisture
- Keep out of reach of children

MRP: ₹93.47 per 10 Tablets
