

DOLPHEN P Tablet

Tramadol Hydrochloride 50 mg & Paracetamol 325 mg Tablets

Manufacturer: Green Cross Remedies

Tramadol hydrochloride and paracetamol tablet uses include the management of moderate to severe pain where single-agent analgesics are inadequate. DOLPHEN P Tablet combines centrally acting Tramadol with Paracetamol to provide fast, effective, and sustained pain relief when prescribed by a healthcare professional.

Composition

Each uncoated tablet contains:

- Tramadol Hydrochloride – 50 mg
- Paracetamol – 325 mg

Uses & Indications

- Moderate to severe musculoskeletal pain
- Post-operative and post-traumatic pain
- Dental and orthopedic pain
- Chronic back pain and injury-related pain

Dosage & Administration

Dosage should be taken strictly as prescribed by the physician. Tablets should be swallowed whole with water. Do not exceed the recommended dose or duration of use.

Mechanism of Action

Tramadol acts centrally by binding to opioid receptors and inhibiting reuptake of serotonin and norepinephrine, while Paracetamol reduces pain by inhibiting prostaglandin synthesis. Together they provide synergistic analgesic action.

Side Effects

Common side effects may include nausea, dizziness, drowsiness, constipation, and headache. Serious side effects are rare but require immediate medical attention.

Contraindications & Precautions

Contraindicated in patients with hypersensitivity to Tramadol or Paracetamol, severe respiratory depression, or history of substance abuse. Use cautiously in elderly patients and those with liver or kidney impairment.

Drug Interactions

May interact with other opioids, sedatives, antidepressants, antiepileptic drugs, and alcohol. Always inform your doctor about all medicines being taken.

Storage Instructions

Store below 25°C. Protect from moisture and light. Keep out of reach of children.

Price: Tramadol 50 mg + Paracetamol 325 mg Tablet – DOLPHEN P Tablet (MRP): As applicable

Expert Advice

Each uncoated tablet of DOLPHEN P should be taken exactly as prescribed by a healthcare professional. Avoid skipping doses and do not discontinue therapy abruptly. Avoid alcohol consumption during treatment. Report any unusual symptoms or excessive drowsiness to your doctor promptly.

Manufacturer Assurance:

DOLPHEN P Tablet by Green Cross Remedies is a reliable tramadol hydrochloride and paracetamol tablet formulation manufactured in a WHO-GMP certified facility, ensuring consistent quality, proven efficacy, and dependable pain relief outcomes.
