## Varieto 90 Tablet

(Etoricoxib Tablets IP 90 mg)

### Short Description

Varieto 90 Tablet is a prescription pain relief tablet containing Etoricoxib 90 mg. It works as an anti-inflammatory medicine to relieve arthritis pain, joint pain, and inflammation effectively.

### Etoricoxib Tablet Uses – Complete Guide

Understanding etoricoxib tablet uses is essential for patients dealing with chronic pain and inflammatory conditions. Varieto 90 Tablet is widely prescribed as a reliable NSAID tablets option for reducing pain, swelling, and stiffness.

This medicine is commonly used as an arthritis pain medicine and joint pain relief tablet. It is also helpful in managing conditions where inflammation is a major concern.

### Composition

**Active Ingredient:** Etoricoxib Tablets IP 90 mg  
**Category:** Selective COX-2 inhibitor pain medicine

### Uses & Indications

Varieto 90 Tablet (Etoricoxib 90 mg tablet) is indicated for:

- Osteoarthritis and rheumatoid arthritis
- Ankylosing spondylitis
- Etoricoxib tablet for joint pain relief
- Etoricoxib tablet for back pain relief
- Etoricoxib tablet for gout pain treatment
- Etoricoxib 90 mg for tooth pain relief
- Inflammation and swelling

It is considered an effective anti-inflammatory drug for arthritis pain and is often prescribed for long-term pain management under supervision.

### Mechanism of Action

Etoricoxib tablet belongs to the class of selective COX-2 inhibitors. It works by blocking the enzyme responsible for producing prostaglandins, which cause pain and inflammation. This makes it a preferred prescription NSAID for chronic pain with relatively lower gastric irritation compared to traditional NSAID tablets.

## Dosage & Administration

- **Typical dose:** Etoricoxib 90 mg tablet once daily.
- Follow your doctor's prescription strictly.
- **Best time to take:** After food.

### How to take safely:

- Swallow with water, do not crush.
- Take at the same time each day.
- Avoid exceeding the recommended dose.

## Side Effects

Etoricoxib 90 mg side effects in adults may include:

- Headache and Dizziness
- Nausea
- Increased blood pressure
- Fluid retention

*Serious side effects are rare but require immediate medical attention.*

## Contraindications & Precautions

- Avoid in severe heart disease patients.

- Use cautiously in kidney and liver disorders.
- Not recommended during pregnancy unless prescribed.
- Monitor blood pressure regularly.

**Is Etoricoxib safe for long-term use?** Long-term use should only be under strict medical supervision due to cardiovascular risks.

## Drug Interactions

Uses should be monitored when taken with:

- Blood thinners
- Other NSAID tablets
- Diuretics and Antihypertensive medicines

## Storage Instructions

- Store in a cool and dry place.
- Keep away from sunlight.
- Keep out of reach of children.

## Final Product Description & Expert Advice

When discussing etoricoxib tablet uses, **Varieto 90 Tablet** stands out as an effective Etoricoxib 90 mg tablet designed to relieve pain and inflammation. It contains Etoricoxib Tablets IP 90 mg, a selective COX-2 inhibitor pain medicine that works as an anti-inflammatory medicine for arthritis pain, joint pain, and swelling conditions. This prescription painkiller tablet is widely used for osteoarthritis, rheumatoid arthritis, gout, and back pain.

**Expert Advice:** Etoricoxib 90 mg tablet should always be taken exactly as prescribed by a healthcare professional. Avoid skipping doses and do not stop treatment suddenly, even if symptoms improve. Misuse of NSAID tablets may increase the risk of side effects, especially related to heart and stomach health.

To achieve the best results with Varieto 90 Tablet, follow the prescribed dosage schedule strictly. Do not self-medicate or share your medicine. Take it with food to minimize gastric discomfort. Avoid alcohol consumption, as it may increase side effects. Patients with cardiovascular conditions should use this medicine cautiously. Stay hydrated and report any symptoms such as swelling, chest pain, or breathing difficulty immediately to your doctor.

**Brand FAQ: Is Varieto 90 Tablet manufactured by a reliable company?**

Yes, Varieto 90 Tablet is produced by **Green Cross Remedies**, a trusted name known for quality pharmaceutical products. Varieto 90 Tablet by Green Cross Remedies is a reliable Etoricoxib formulation from a trusted leading Etoricoxib Tablets IP 90 mg manufacturer in India. Manufactured in a WHO-GMP certified facility, it ensures consistent quality, effective pain relief, and dependable therapeutic outcomes.
